## **REPORT OF SUPERINTENDENT OF SCHOOLS**

To the School Board and Citizens of Marlow :

I herewith submit my annual report as your Superintendent of Schools :

The Marlow teachers are participating in the Supervisory Union project of preparing a syllabus for grades one through eight in the area of Language Arts. A 3-day Language Arts Workshop was held October, 9, 10 and 11 at Walpole to start our work on the syllabus. Our objectives are :

1. To develop a syllabus outline for Grades 1-8 that will serve as a basis for progressive improvement.
2. To develop an English syllabus outline for Grades 9-12 that will serve as a basis for progressive improvement.
3. To develop a planned program of integration of the language arts with other high school subjects.

Monthly supervisory union teacher meetings are held to continue our work and smaller committees hold several meetings in between the larger group meetings to prepare material for their consideration. We hope to complete the section on oral communication in January and the section on written communication by the end of the year. It is planned to do the reading syllabus next year.

Mrs. Madeline Whitcomb replaced Mr. Gordon Russell as teacher of Grades 5, 6, 7 and 8. Mrs. Whitcomb is a graduate of Plymouth Teachers College and formerly taught in North Conway, New Hampshire.

The replacement of stationary desks and chairs with new movable desks and chairs was completed this year.

You will note in the financial report that the proposed budget for 1957-58 estimated an income of \$2,692.42. However, the actual income is the sum of \$6,061.49. This resulted in a reduction of the amount raised by taxes from \$15,405.58 to \$12,036.91 which is \$3,368.67 less than was expected at the time of the annual school district meeting. The increased income was

due to two factors; an increase of \$2,654.37 in state aid and an increase of \$714.30 over the amount estimated to be the end of the year balance. The change meant a tax rate reduction from an anticipated rate of \$41.45 per \$1,000. of valuation for school purposes to \$31.75 per \$1,000. of valuation.
